Please pay attention to the following

Below, you will find the official rules. But generally, the crucial point is to respect each other and the people we meet. We all have a shared responsibility to make sure we all have a great week and that ATY's good reputation is upheld when travelling abroad.

- As always when gathered in ATY contexts, we meet up on time to avoid unnecessary waiting time
- You must walk in pairs or groups at all times
- The programme is compact, and days will be long, so prioritise to spend your nights on re-energising in order to be able to pay attention and be active the following day
- The local hostel rules must be respected, and we must show consideration for the other guests at the hostel
- We have breakfast together every morning
- We would like to know that everybody returns safely to the hostel in the evenings for which reason we make a list for you to tick as you return. We will have specific times for you to be back in the hostel every night.

And then, of course, you are always welcome to contact us in any case you need it. That is what we are there for. We look forward to the trip.

Janne & Anne
