Please pay attention to

ATY's good reputation must be upheld when travelling abroad.

Below, you will find the official rules but, generally, the crucial point is to respect each other and the ones we meet. We have a shared responsibility of making this a good trip for everyone:

- As always when gathered in ATY contexts, we meet up on time to avoid unnecessary waiting time
- You must always walk in pairs or groups
- The programme is compact, and days will be long, so prioritise to spend your nights on re-energising in order to be able to pay attention and be active the following day
- If of legal drinking age, limited alcohol consumption is okay, but it must not in any way affect your academic engagement at any time
- Regarding the use of drugs, the same legislation applies in England as in Denmark
- The local hostel rules must be respected, and we must show consideration for the other guests at the hostel
- We have breakfast together every morning
- We would like to know that everybody returns safely to the hostel in the evenings for which reason we make a list for you to tick as you return. We will have specific times for you to be back in the hostel every night.

And then, of course, you are always welcome to contact us in any case you need it. That is what we are there for. We look forward to the trip.
