Dear International Camp 2018-participant,

We are looking forward to a great week in London, Oxford and Cambridge with you. We are set to explore the British world of universities, where we will meet Danish students, university professors and admission officers and many more interesting people. Furthermore, we will go sightseeing in London, visit museums and go to the theatre.

On the following pages, you will find a detailed programme, travel and other practical information and a check list for what to bring. For more details please read on.

The following is included and pre-organized

International Camp 2018 includes return flights Billund/Heathrow Airport and Heathrow/Kastrup Airport, return transfer Heathrow/London, travel and cancellation insurance, accommodation, sightseeing, communal eating Sunday night, breakfast all days, return transportation to Oxford and Cambridge, formal dinner in Cambridge, museum fees and theatre ticket.

The following you must finance and organize

Transportation to Billund and from Kastrup airport, transportation in London and other meals than breakfast, communal eating on Sunday evening and formal dinner in Cambridge.

Please pay attention to the following

Below, you will find the official rules. But generally, the crucial point is to respect each other and the people we meet. We all have a shared responsibility to make sure we all have a great week and that ATY's good reputation is upheld when travelling abroad.

- As always when gathered in ATY contexts, we meet up on time to avoid unnecessary waiting time
- You must walk in pairs or groups at all times
- The programme is compact, and days will be long, so prioritise to spend your nights on re-energising in order to be able to pay attention and be active the following day
- Limited alcohol consumption is okay but it must not in any way affect your academic engagement at any time
- Regarding the use of drugs, the same legislation applies in England as in Denmark
- The local hostel rules must be respected, and we must show consideration for the other guests at the hostel
- We have breakfast together every morning
- We would like to know that everybody returns safely to the hostel in the evenings for which reason we make a list for you to tick as you return. We will have specific times for you to be back in the hostel every night.

And then, of course, you are always welcome to contact us in any case you need it. That is what we are there for. We look forward to the trip.

Janne & Kira
